LIONS CLUB

A HISTORY OF SERVICE IN YOUR COMMUNITY

The Lions club of Camp Hill Carindale was formed and chartered in 1966 and since that time it has been responsible for many improvements to the community life of our suburbs and the surrounding area. Over a period of five years from 1993 to 1998 we assisted the Brisbane City Council with funds and ideas to convert vacant waste land on the corner of Narracott Street and Old Cleveland Road Carina into a lovely park with shelter shed, BBQ, and children's play equipment as well as tree planting.

For the past six years 2000 to 2005 we have organised and conducted an Australian Citizenship Ceremony at the Carindale Shopping Centre on Australia Day 26th January. New Australians in our local community are afforded the opportunity of taking their oaths of allegiance to Australia in their local suburban shopping centre among friends and relatives

BRINGING PEOPLE TOGETHER

SOME OF OUR ACTIVITIES ARE FUN

We meet every month on the 2nd and 4th Monday nights at the Carina Leagues Club 6.30pm for a 7.00pm start. At our dinner meetings we arrange our activities and projects for the benefit of our community and enjoy the companionship and fun of regularly getting together.

Club Members are well educated experienced organisers of a wide diversity of fundraising activities e.g. 2001 Annual Doorknock for Queensland Cancer Fund.

The photograph shows a number of area organisers who coordinated 130 local people to doorknock 5 local suburbs and raise \$17,000 for presentation to the Cancer Funds Coordinator Greg Beard.

FOR FRIENDSHIP AND A COMMON BOND IN HELPING OTHERS

WE ARE SEEKING TO MAKE IT A BETTER WORLD TOMORROW

In 1996 we assisted Brisbane City Councillor Michael Caltabiano (Chandler) in the erection of a steel Bandstand at the Whites Hill Reserve, Carina. It was a most successful hands-on project like putting together a meccano set and has given the community another useful shaded amenity

A typical hands-on community project, a sausage sizzle in Meadowlands Road parkland when the Brisbane City Council organised an Information Field Day on Environmental Issues.

The Club regularly sponsors young people on a Lions Youth Exchange Programme organised and chaperoned to visit Lions families Overseas. There are opportunities for personal development and public speaking in the Annual Youth of the Year Quest for students in grade 12.

Like so many Lions Clubs around Australia, the Camp Hill Carindale Lions Club is an essential part of community activities in our local suburbs and very proud of our motto "WE SERVE"
